

# **MAKE YOUR MARK**

**BECOME A LINE MARKING ROBOT  
SPONSOR TODAY!**

## **WHAT IS A LINE MARKING ROBOT?**

*It is a ROBOT that lines the fields according to our programmed layout in a fraction of the time.*

## **WHY DO WE NEED A LINE MARKING ROBOT?**

*This tiny robot could save OYSC Budget upwards of \$11,000 annually!*

*With this robot a complete field can be lined in less than 30 minutes, eliminating 40+ hours of work spent weekly by our volunteer board members lining fields manually.*

*Every season we are responsible for maintaining the fields at Riverbend Park. Lining the fields is not covered in our agreement with FRRPD. Finding volunteers is hard, but finding labor is harder.*

**PLEASE HELP US REACH OUR \$20,000 GOAL  
BY DONATING TODAY!**

*Donate online today on our website sponsorship page or by mailing a check to P.O. Box 5067, Oroville, CA 95966*

*Don't forget OYSC is a nonprofit 501 (c), which means all donations are tax-deductible (Tax ID 94-2771667).*
